Fiscal Year 2004 Budget Letter

June 4, 2003

Dear Watauga County Citizens:

Please allow me to acquaint you with the Watauga County Fiscal Year 2004 Budget. It is a continuation budget that provides overall county services at current levels. The \$38,263,390 budget is 1.96% larger than the Fiscal Year 2003 adopted budget. However, the budget contains substantial funding increases for education and law enforcement. Also included is funding for several major capital projects, many of which will be completed during the coming year.

In an effort to review some of the Watauga County Board of Commissioners' priorities as addressed in the budget, the following provides details:

Education: The Board of Commissioners strongly supports education and views the Board of Education as a partner in providing the best education possible in Watauga County. In their meetings with the School Board, the Commissioners voiced their support for teachers and recommended that salary supplements be increased and classroom equipment and supplies be funded at optimal levels. To achieve this directive the current expense budget for county schools was increased by \$423,691 or 5.67% above the FY 2003 level. The current expense allocation is funded at 99.47% of the School Board's requested amount.

Although no formal request was received, the Commissioners are committed to funding repairs and upgrades that are needed at the high school. The current Board of Commissioners supports the development and funding of a plan to address all needed repairs and renovations as fast as scheduling will allow. \$550,000 from the County's capital reserve coupled with an anticipated \$370,000 in state funds are available to begin the high school renovations.

Including current expense, capital outlay, debt service, and available capital reserve, Watauga County will expend \$11,307,033 on public education in FY 2004.

The Commissioners also continue their support of Caldwell Community College & Technical Institute by increasing the current operating budget to \$613,489. Also, with a \$50,000 allocation, over \$785,000 in local capital reserve funds are available for planned construction at the White Oak Campus in FY 2004.

Law Enforcement: Another priority of the Commissioners is law enforcement as evidenced by a funding increase of 10% to the Sheriff's Department to \$1,820,620. The County

budget also contains debt service and capital reserve allocations in the amount of \$976,100 to partially fund a new law enforcement center housing a new county jail, sheriff's offices, emergency management offices, and emergency dispatch center. The current plan, as developed by staff, will allow for funding of both the debt service and the increased operational costs of this facility without a tax increase when completed and in operation in July of 2006. The new facility will require at least eight new employees.

Funds have also been reserved to examine security measures for the courthouse and other county buildings. \$200,000 is budgeted for future courthouse renovations to be completed in conjunction with the relocation of the law enforcement center.

Fire Department Funding: Even though none of the fire departments requested a fire tax rate increase, in FY 2004, they will receive an average of 6% more in tax revenue due to growth in their tax base. (Fire Departments received an average tax increase of 65% in FY 2003.). Each department will receive an additional subsidy amount from the general fund to assist in operations. The individual departmental subsidy amounts (\$306,525) have been funded at the same levels, without increase, for the past 8 to 10 years.

Technology: Federal law mandates that all punch card voting machines be replaced by the Presidential Election of 2004. In addition to the \$103,339 amount in reserve, \$205,000 is included in this year's budget to fund a computerized voting system for Watauga County.

The operating budget for the Information and Technology Department is \$441,027 plus a \$120,000 allocation to capital reserve to address the County's future computerization needs in the tax office. The current system is outdated and will require substantial funds for replacement in the not too distant future.

Recreation: The Watauga County Swimming Pool Complex is due for routine maintenance and substantial repairs. The budget contains \$225,000 with an additional \$250,000 to come from capital reserve for renovation that will extend the lifetime usefulness of the facility for an additional ten years.

The Commissioners are also committed to the completion of the Brookshire Road Park and have budgeted \$175,000 for it's completion and for future Parks and Recreation projects.

Other County Buildings: The Sanitation Department budget contains \$111,330 for construction of a new transfer station and a new maintenance facility that will be completed in FY 2004.

The Commissioners also see the need to replace the Animal Control facility. Repairs were made in FY 2001 to extend the lifetime of the facility for six to eight years. \$60,000 is budgeted to capital reserve with the plan to fund a like amount for an additional four years at which time a new facility will be constructed in the landfill area.

\$75,000 is included to complete funding for the renovation of the Heilig Meyers Warehouse for administrative offices. This project will furnish much needed office space and at the same time, by preserving a historic building, dramatically improve a prominent corner in downtown Boone.

Non-Departmental and Private Non-profit Agency Funding: Most non-departmental agencies such as the Health Department, AppalCART, and New River Behavioral Healthcare were funded at current (FY 2003) levels.

The Library is funded with an 8% increase at \$367,399 to address inequities in its pay plan and to allow the current hours of operation to be maintained. The NC Cooperative Extension, a state agency, received a modest \$2,207 increase in county funding.

Although some counties have ceased or drastically decreased funding to the private non-profit sector, the Board of Commissioners sees the great value in the services that these agencies provide to the citizens of Watauga County.

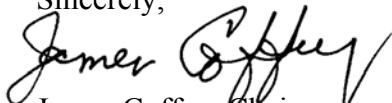

Most private non-profit entities were funded at current levels. The Valle Crucis Park received a \$5,000 increase in funding to assist in construction of new bathroom facilities at the park. The current Board plans to fund the same amount for an additional four years to assist with the debt service for the planned construction.

County Core Departments: Services are funded to continue at current levels in all County Departments with customer service a continued priority of the Board of Commissioners. Employees are awarded a 2% cost of living increase and most will receive an additional 1% county match to their individually controlled deferred compensation retirement plans. Pay for performance will also be awarded in January 2004 similar to previous years. All insurance benefits are maintained at current levels.

Summary: The FY 2004 budget provides an increase in school funding, addresses many new projects, maintains current high service levels, and reduces the tax burden on county citizens. Funds generated by the adoption of the additional one-half cent ($\frac{1}{2}\text{¢}$) local sales tax in December 2003 allow an approximate $5\frac{1}{2}\%$ reduction to property taxes. A cut of two cents (2¢) per \$100 valuation will establish the tax rate at thirty-five cents (35¢) per \$100 in FY 2004. The Board of Commissioners is committed to the prudent management of the County's resources and is pleased to serve you as evidenced by the adoption of the FY 2004 budget.

Copies of the budget are available at all local libraries, the County Manager's office, and online at the County's website <http://www.wataugacounty.org>. I encourage you to become involved and examine the budget to make your own determination of its content. If you have questions, you may call the county manager's office at 265-8000. It is the sincere hope of the Board of Commissioners that all can work together in ensuring that Watauga County remains the best place in the state to call home.

Sincerely,

James Coffey, Chairman
Watauga County Board of Commissioners
